Street Kids International UK seeking Board members

Street Kids International is committed to a significant expansion of its global activities. We are seeking dynamic committed Board members for our recently created UK charity, Street Kids International UK. Our challenge is to make our proven development model known and available to all organizations throughout the world working with street kids.

Our challenge is to make our proven development model known and available to all organizations throughout the world working with street kids.

We are currently seeking three new Trustees. The prime requirement is for experienced volunteers with a commitment to helping marginalized young people build their lives. We are particularly seeking people with skills and experience in three specific areas:

- Accountancy and/or Banking
- Marketing and /or fundraising
- Communications and/or Public Relations

Your role as Trustee will include attending four formal Board meetings a year and being available with advice, contacts and help for the Executive Director.

If you are interested in joining us please send a CV to philippa@streetkids.org .
