Following on from the successes of the 2010 Brighton Marathon we are setting minimum fundraising targets for our runners of £750. By submitting this form you confirm that you pledge to raise a minimum of £750 for Street Kids International.

In order to confirm that you wish to take up that reserved place you will need to pay a registration fee of £75. Once we receive your registration fee we will confirm that the place is yours and submit your details to the Brighton Marathon organisers.

In the unlikely event of the even being cancelled you confirm that you will submit any money raised to that point to Street Kids International. In the event you cannot enter the event through injury Street Kids International cannot guarantee that there will be an alternative event for you to enter
